

The Salcombe Yawl

1st e-news letter May 2011

The first May Bank Holiday Open racing got off to a very, very, brisk start finishing with gusts of 32 knots!!

There was unfortunately one broken mast and a few other minor breakages over the weekend.

Explosures have got the May Open sailing pictures up on our website.

We are now on www.facebook.com

The Salcombe Yawl Dinner was just fantastic. Allyson's organisation and the room design was amazing. Everyone seemed to have fun, and the Champagne Reception on the Terrace got us off to a good start.

The French trip to Morbihan is well underway. After prize-giving last weekend there was a meeting in the Chart Room to finalise the travelling arrangements, eating and party plans, Oh, and of course the sailing!

A message from Scratch - On the 17th May in South Pool at 17.00 there will be an all-comers sailing race with a trophy and a party afterwards in memory of John Alsop. The start is near the pontoon and down to no 4 or maybe 3 and back, it could be tricky racing so sounds fun. Just turn up.

The next Open is, as you all know, on the weekend of 28th/29th May. Entry forms are on the website www.syoa.co.uk. The Chairmans Drinks will be on Saturday evening 28th May at 7pm before the supper supplied by SYC. Please book.

Now, how can I get more yawls out for Saturday club racing? Cash, free holidays or what? Give me a clue send me an e-mail to andrew@syoa.co.uk.
