

One Race One Fleet

The Salcombe World Series Race

This year we will celebrate the America's Cup
World Series

The Yawls will race as one fleet with a 2.59 min handicap between Blue and Red fleets.

There will be a Cup for the overall winner of the Challenger Selection Series sponsored by The Salcombe Boat Store. Your score will be your best of four. There will be seven designated races within SYC sailing series, with three discards.

All races will be timed.

The top two boats the Defender and the Challenger will compete in a short course match race for The Salcombe World Series Trophy.

And as in the spirit of the first America Cup race in 1851 when Queen Victoria asked one of her attendants to tell her who was in second place.

"Your Majesty, there is no second," came the reply.

This is a Mini Series within the SYC sailing series, of course the initiative as with last years successful Olympic Series is to try and encourage some more Yawls out on a Saturday, so if you don't normally race on a Saturday because you can't do the whole SYC series this is your opportunity with a prize at the end.

On each race day there will be an American style Steak and Fries Night at the SYC. With a party and prize giving on the day of the last race.

So get your diary out plan your agenda put in the dates and race.

April 27th Super in SYC

June 1st Super in SYC

June 29th Super in SYC

July 13th Super in the KA

Aug 31st Super in SYC

Sep 28th Super in SYC
