I agree to the Conditions of Entry. I declare that I hold a current buoyancy certificate (where applicable) and a valid certificate of insurance with minimum 3rd party cover of £3 million which will cover me whilst racing in the Salcombe Town Regatta. I understand that the Salcombe Town Regatta Committee accepts no responsibility for any loss or damage, injury, or inconvenience to persons or yachts, however arising, directly or indirectly from their rules, policy or rulings during the races or related activities.

I accept full responsibility for the seaworthiness and safe navigation of the above yacht and its crew shall use their own judgement whether to start, continue or retire from a race in the existing and forecast conditions. Nothing done by the organisers can reduce the responsibility of the yacht nor will it make the organisers responsible for loss, damage, death or personal injury, however it may have occurred, as a result of the yacht taking part in racing. The organisers encompass everyone helping to run the race and the event and include the organising authority, the Race Committee, the race officer, patrol boats and beachmasters. The provision of patrol boats does not relieve the yacht of its responsibilities.

I have read and agree to the Conditions of Entry, including those on the reverse of this form.

The sailing instructions for this event will be the Salcombe Yacht Club Sailing Instructions 2020 as amended or supplemented by this Notice. Amendments to this Notice and/or to the Sailing Instructions will be posted on the Town Regatta Notice Board in the Salcombe Yacht Club.

CONDITIONS OF ENTRY

All races will be governed by the current World Sailing Racing Rules of Sailing, the prescriptions of the Royal Yachting Association, the rules of each Class concerned and the Sailing Instructions that shall be used to cover the Regatta and this Notice. All dinghies must have a valid Measurement Certificate with current buoyancy endorsement and 3rd party insurance with minimum cover of £3million, proof of which may be called for by the Race Committee. The Race Committee reserves the right to make any alterations it may deem necessary.

The Race Committee may at its discretion take out any class entered in the Handicap Class to provide them with class racing, similarly any class may be combined with the Handicap Class. Sailing Instructions are available on the SYC website or may be collected at the Welcome Reception.

The Time Limit will be 3 hours and any boat which fails to finish within this time shall be deemed to have retired. When no more boats will be credited with finishing, two sound signals will be sounded and all signals, except those indicating protests, lowered. SAIL NUMBERS MUST BE COMPLETE AND CORRECT. Any boat sailing with a sail number other than as entered may be deemed not to have entered.

The Salcombe Estuary is very popular with pleasure and commercial craft. Please show consideration for other users and sail safely at all times. **If you are in collision with a non-competing boat, whether it be under way or moored, you must report the incident to the Harbour Office and fill in the appropriate form. You must also complete a 360 degree penalty turn.**
